### Near East Foundation

Middle East is referring to the region that includes North Africa and Western Asia.

### Bureau of Near Eastern Affairs

In a modern concept, all North African countries come under the Northeast region whereas the South Caucasus countries are not included. Republic of Turkey, Ministry of Foreign Affairs.

### Bureau of Near Eastern Affairs

The decline of the settlements and culture in Ishuwa from the 7th century BC until the Roman period was probably caused by this movement of people. Syria is essentially a Near Eastern country, and a physical geographer would undoubtedly carry the Near Eastern frontiers up to the desert belt of the Sahara, Nefud and Kevir. Shortly after, they were to share the stage with , which came to prevail in the 20th century and continues in modern times.

### Bureau of Near Eastern Affairs

Within the government the State Department has been most influential in promulgating the Near Eastern regional system. The Near East is the geographical region corresponding to western Asia. The Ottomans were portrayed as the slavers, but even as the American and British fleets were striking at the Barbary pirates on behalf of freedom, their countries were promulgating a vigorous African slave trade of their own.

### Where Is The Near East?

Starting in 1894, the Ottomans struck at the on the explicit grounds that they were a non-Muslim people and as such were a potential threat to the Muslim empire within which they lived.

### Where Is The Near East?

He won Ottoman confidence as a junior officer in the Crimean War.
