## Parents: We All Choose Our Child's Religion

Again, expecting your children to behave well and learn the rules and understand the reasoning behind them is fine, even if this includes religion.

## Religion and children

I ask for your wisdom and direction over their day, that you would give them understanding beyond what their years say they should even know. If you aren't specifically teaching your kids to believe in a god or gods or teaching them to follow any religious system, then it may be tempting to ignore the topic of religion entirely.

## Should Parents Choose a Religion for Their Children?

He was really, is really a visionary regarding learning. Boy did we eat a lot of rejects for the next month! I heard the Gospels on the radio at night. I do have a friend whose father is a Protestant minister who did not have her baptized, although she attended his services every week.

## The Case for Raising Your Child With Two Religions

But this does not prevent me from understanding that SOME people are and that this does not by default make them patriarchal tyrants forcibly indoctrinating their children into their faith. My Baptist upbringing scared the living bejeebers out of me as a little kid.

## Faith Formation for Children

Both parents can sit at a gathering or holiday celebration with the children, and neither will feel like a guest.

## When Teens Reject Religion

You want the very best for them. Of course, the fundamental problem is that because neither of us has a deep, compelling faith, the religious training tends to fall by the wayside. Can he or she insist on raising your child to be a Cowboys fan, for instance? While your child is rebelling, some of the acts of aggression might be destructive—self destructive.

## **Parents: We All Choose Our Child's Religion**

But boy, was it rough. I understand many of you will think very differently and am looking forward to discover your point of view.

## **Richard Dawkins: Don't Force Your Religious Opinions on Your Children**

How you handle it depends in large part on your child age and developmental stage. There aren't that many out there that do that - really - and she was having trouble finding someone. I've worked through many of them but the views that many religions ours was particularly bad seeing as they were southern baptists have toward woman and sex create major psychological issues when these young girls turn into women.
