Welcome to Oxbow Books

Options for widows varied from remarriage to taking religious vows. Funded by: Arts and Humanities Research Council Award Ref. This project aims to extend our understanding of the parallels between the two period, and to trace the development of trade networks between 1300 and 1600, using computer analysis and data mapping techniques to provide 'snapshots' of London's financial and trading markets around 1300, 1424, and 1600.

Medieval London Widows, 1300
