Campus Directory

With a single network logon, administrators can manage directory data and organization throughout their network, and authorized network users can access resources anywhere on the network. With Focus on rising consumer demand, our directory has continuously evolved to a feature rich listing of over 20 million American businesses.

Directory

The USF Directory contains contact information for all current faculty and staff. The quality of data is very impressive, and has improved substantially, always exceeding our expectations. For more information about the schema, see Schema.
