Democracy and Governance in Africa

I once asked the grandfather of one of my students, who had taken part in the D-Day invasion of Normandy, what he remembered most about that day. Variations Left Anarchism, Council Communism, European Communism, Juche Communism, Marxism, National Communism, Pre-Marxist Communism, Primitive Communism, Religious Communism, International Communism. I would like their grandchildren to inherit a better world than the one that our present technocratic capitalist economy is racing toward.

Democracy, Exclusion, and White Supremacy: How Should We Think About Exclusionary Zoning?

In this context, many technological tools primarily advance those who can develop and customize them for their own ends — again, the biggest players.

Colloquy for Ministers of Religion

Social media technologies are creating skeuomorphs of democracies; they will have design attributes that look and feel democratic, but they will be authoritarian to the core.

Democracy

Foreign governments did not insist on good governance, either.
