Because I wasn't able to decipher the text, I cannot comment on the content quality. Examples of the words in use are given throughout, and the book contains an alphabetical index as well so you can find out where any given word is on the frequency list. This book does exactly what it says it does, however an opportunity was missed that would have made this book so much more useful for solo learners.

**skynet2550.us.to: Russian**

. Strong collocations are word pairings that are expected to come together, such as : You make a cup of tea, but you do your homework.

**Russian Learners' Dictionary: 10, 000 Russian Words in Frequency Order: Brown, Nicholas: 9780415137928: skynet2550.us.to: Books**

A collocation dictionary is different from normal dictionaries in that it provides you with collocations commonly used with key words rather than a definition. The REDVC lists grammatical collocations verb + prep.

### Collocation Examples For English Learners

Although there is a literary slant to the list based partially on one compiled from the frequency of written words , the editor has taken into account spoken language in this edition as well, making the volume more up-to-date.
