## Congress must lower the Medicare Age to save the lives of older Americans

Medicare plays a central role in broader discussions about the future of entitlement programs. B fell and was sent to the hospital to treat her injuries.

## Federal Policy Guidance

It soon became clear to the mother and daughter that the plan only covers 80% of dialysis treatments, the same as traditional Medicare.

## INTENSIVE CARE WE MUST SAVE MEDICARE AND MEDICAID NOW

Why does turning 65 mark such a visible transition point in preventing illness and death? Doing so would be life-changing and life-saving for many. Senate Minority Leader Mitch McConnell R-Ky.

## INTENSIVE CARE: WE MUST SAVE MEDICARE AND MEDICAID NOW By Ross Perot \*\*Mint\*\*

Please reference the Terms of Use and the Supplemental Terms for specific information related to your state. Many Medicare beneficiaries live on modest incomes and most depend on Social Security as their primary source of income.

## Federal Policy Guidance

All states attempt to recover long-term care costs, including home health services and hospitalizations while in long-term care, and some try to recover regular Medicaid costs as well though they can generally only recover costs paid for those who were 55 or older or institutionalized when they received Medicaid benefits. In addition to regulations, CMS issues sub-regulatory guidance to address policy issues as well as operational updates and technical clarifications of existing guidance. N called the Center because they are now receiving bills for the balance of what the MA plan did not cover.

Medicare provides coverage of basic health services including care in hospitals and other settings, physician services, diagnostic tests, preventive services and, as of 2006, also includes an outpatient prescription drug benefit offered through private plans. Currently, all beneficiaries have access to at least one Medicare Advantage plan, mainly due to the emergence of new types of private plans in rural areas. Both Senator John McCain and Senator Barack Obama would allow importation of prescription drugs from other developed countries, provided the drugs are safe.
