Place ribbons along inner side of holes and make 2 more holes slightly farther apart than the width of the ribbon. It's about time someone thought to include this in a technique listing, since most of us are now using our computers for some aspect of our art. At the top of the 3rd signature, take the needle from the outside and loop it under the thread joining the two preceding signatures.

However these included no pictures and very little instruction on how to actually do them. ALTERED BOOKS, COLLABORATIVE JOURNALS, AND OTHER ADVENTURES IN BOOKMAKING will help to make your journey a little easier if you are beginning and give you inspiration if you're more advanced. And none of these satisfied my aesthetic sense.

This book has a few sections with tips and suggestions on techniques for creating altered books or creative journals. It helps you look at your own work and supplies in new ways.

How to make an Altered Book Journal

I really like the idea - using an old book that you're never ever going to read again, and the odds are that nobody else will either and altering it by painting over or sculpting into or. I started doing Altered books a year ago and love it.
