## 8 Of The Most Popular Comedians From Dry Bar Comedy

He has performed his stand-up act on both Late Night with David Letterman and the Conan Show, and he is currently a part of the Minneapolis sketch group the Turkeys, of which he is a founding member. From comedy with a touch of dark humor to light and family-friendly entertainment, the above listed seven comedians and entertainers would be the best choice to make your special event something your guests will always remember.

## Independent women: Why this all

Bob Stromberg has been making people laugh for over 30 years. Though they usually travel in pairs or packs of three, comedians can be seen in isolation in just about any TV environment.

## Australian Comedians: 10 of the Best

With a name change and Nagura as leader keeping the other two, volatile comic elements in check, Neptune came up through the manzai circuit. He performs all over the country for live audiences and hosts a radio show that is syndicated in 100 markets around the US.

## 7 of the Best Minneapolis comedians that will make you laugh

For over 20 years, Bill Arnold found success through the stage show in which he played a character known as Buzz Maxwell. We want to hear what you think about this article.

## The Top 20 Jewish Comedians of All

The usual episode plot consists of his clumsy attempts to score himself a line in a scene and, while the show has proved to be more of an acquired taste than other pieces of Gervais' work, it was still undoubtedly a smash hit. The dynamic duo known as Patsy played by Joanna Lumley and Eddy played by Jennifer Saunders have virtually become their own brand in the UK, and the success of the series has made the characters household names, not to mention the actresses.

## **The Top 20 Jewish Comedians of All**

Be prepared to handle them. This recording contains nearly 70 minutes of music from old 78 rpm records. Written by a couple of Cambridge graduates named John Cleese and Graham Chapman, the sketch is set in the workshop of a shady car salesman.
