Travel Advisory

The largest sources of employment in the early 21st century were public services and construction. The climate is tropical and mild, and there is little seasonal variation in temperature or precipitation. Montserrat Spain History - The Holy Visions Barcelona Montserrat a view from the cable car to the monastery retreat The history of Montserrat is fascinating and started in 880 when a small group of shepherd children saw a bright light descending from the sky in the Montserrat mountains.

Barcelona Montserrat Spain

The parents were sceptical but knew their children were trustworthy and honest, and so they went to where the children had experienced the visions to see if they could see what all the fuss was about.

Montserrat 2021: Best of Montserrat, Spain Tourism

The voyage of Torres : the discovery of the southern coastline of New Guinea and Torres Strait by Captain Luis Baéz de Torres in 1606.

Montserrat (mountain)

The single white-sand beach is at Rendezvous Bay in the north. In most cases, you can purchase a ticket up to a year in advance.
