Digital Launch of new Digital Strategy for Scotland

And we must not forget that it is our duty under Article 12 of the UNCRC, to listen to what children and young people tell us about matters that affect them, and to take their views into account.

Digital Launch of new Digital Strategy for Scotland

Article 31 of the United Nations Convention on the Rights of the Child UNCRC clearly sets out the right of all children to be able to freely to take part in leisure and play, cultural life and the arts and to rest and relaxation. Please note that we have combined the consultation paper and the draft Strategy into one accessible document therefore the full content is available via the online portal below.

National Transport Strategy

The themes raised by individuals and organisations were often very similar and there were no clear patterns among themes raised by different types of organisations. The following month, Glasgow will host COP 26, a major UN climate conference where countries will pledge their national commitments to deliver the Paris Climate Agreement. This document is available at: Overview Our land is one of our greatest national assets and it plays a fundamental role in supporting our environment, economy and our health and wellbeing.

Digital Launch of new Digital Strategy for Scotland

Play Strategy Vision We want Scotland to be best place to grow up. Instead it brings together key strands of various Scottish Government policies that touch on land use, and showcases how these various areas fit together.
