#### **Abstracts of M.Sc. Thesis Research 2016 (2072 BS)**

It has recommended Bipin Raj Niraula Panchthar District and Sudha Kumari Jha Dhanusha District appoint for members of the National Natural Resources and Finance Commission. Banke, Surkhet, Kailali, Bardiya and Kanchanpur.

#### **National**

There is a need to simply the OP revision guidelines, considering forests size, management objectives and forest stand conditions along with providing adequate financial and human resources to improve quality of the plan. However, now the writ petition is sub-judice in the Supreme Court of Nepal.

#### **Government recommended for the appointment to the Constitutional bodies : Nepali Law**

Farmers should be given more support from both local NGOs and the government in terms of trainings, information and knowledge sharing, and other fundamental resources that they need in their farming systems. The study concludes that OP has not guided forest management decisions, rather it is being used to rule the local community by the CFUG executives. The recommendation made by changing the quorum of the Constitutional Council through an ordinance before the dissolution of the parliament.
