The Rāmāyaṇa

If so, then the conclusion that the Valmiki Ramayana was composed before the time of Buddha is inescapable.

The Ramayana Themes

In the midst of this societal instability, the authors of the Rāmāyaṇa and Mahābhārata were concerned with how to live righteously in an era when unrighteousness was on the rise. What has allowed all four poems to last over eras of changing literary tastes and changing levels of technological development is the ability of these epics to address the fundamental existential problems confronting people living in the cultures that gave rise to the epics.

The Rāmāyaṇa

Review the concept of dharma and remind students that Indians consider doing one's dharma is one of the four main goals in life. Nothing is known of the author, though the Rāma tradition believes it to be since it is said to be an integral part of the Purāna.
