Machiavelli's The Prince, part 6: was Machiavelli an atheist?

One half of humanity remains outside of his thought. Machiavelli: A Portrait Cambridge, Massachusetts: Harvard University Press, 2015 240 pages. He was put in jail on the charge of conspiracy, his failure to side with new rules with the change of power.

Machiavelli's The Prince, part 6: was Machiavelli an atheist?

This is the main crux of the divorce of politics from ethics put forward by Machiavelli. From my side, it's pretty sarcastic to see Leo Strauss accusing Machiavelli of misunderstanding Christianity.

What can you learn from Machiavelli?

It has been suggested that due to such things as this and his style of writing to his superiors generally, there was very likely some animosity to Machiavelli even before the return of the Medici. Dissent must be stopped because it is the root of the revolt.

THE HIDDEN MEANING OF STRAUSS'S ON on JSTOR

If the ultimate goal is achieved, the consequence of the prince remaining in power must cause more happiness for more of his subjects than would otherwise be the case if he lost power. Machiavelli, in series, Past Masters.

The Prince Educational RPG: What Would Machiavelli Do? How does a prince who has just conquered a state gain the obedience of his subjects if those subjects are characterized by a human nature governed by fickleness, greed, fear, and the law of self-interest? Abstract Contrary to most interpretations, the article argues that the scandalous dimensions of Machiavelli's thought are the outcome of his critical reflections on humanist discourse.

Niccolò Machiavelli

He mitigates his attack on biblical religion by praising religion in general.
