## 7 Events That Led to the American Revolution

Augustine were James Moore's 1702 raid and 's 1740 siege. Rural Quakers preferred simple designs in furnishings such as tables, chairs, and chests, and shunned elaborate decorations.

## Colonial history of the United States

The Iroquois Nation was divided over which side to support. By May 1781, Continentals had become so worthless that they ceased to circulate as money.

tea

History of Tobacco Timeline Here is a brief glimpse into tobacco history and events. The colonists rejected a moralistic lifestyle and complained that their colony could not compete economically with the Carolina rice plantations. The colony's capital of was founded in 1625 and located at the southern tip of the island of , which grew to become a major world city.

## Leif Eriksson

Historians have long disagreed over the question of how far himself was responsible for these events. Following the decline of the Taino population, more slaves were brought to Puerto Rico; however, the number of slaves on the island paled in comparison to those in neighboring islands.

## Printing

The Spanish and Portuguese centuries-old experience of conquest and colonization during the , coupled with new oceanic ship navigation skills, provided the tools, ability, and desire to colonize the New World.
