Lial, Hornsby, Schneider & Daniels, College Algebra and Trigonometry, 6th Edition

If an instructor does not have complex numbers in their course content, they run the risk in later sections of assigning problems that use them.

Clarity rating: 5 The text has a good clarity and it is very readable to students at this level.

Algebra and Trigonometry

The links within the text that allow the user to jump to specific topic in the text are useful. The real-life examples do not contain technical terminology which would be difficult for the average reader to understand.

Algebra Trig Review

David Schneider has taught mathematics at universities for more than 34 years and has authored 36 books. Consistency rating: 5 Notation and assumed pre-requisites are consistent. Any course utilizing the text would be well prepared for a calculus course or any other program requiring a typical background in these topics of mathematics.

Lial, Hornsby, Schneider & Daniels, College Algebra and Trigonometry, 6th Edition

Consistency rating: 4 The text is very consistent in its approach to explanation and students engagement.

College Algebra & Trigonometry: [1.1] Linear Equations and Formulas

.

Download Algebra and Trigonometry (4th Edition) Pdf Ebook

Consistency rating: 5 I have seen the author maintained the consistency of the topics. Consistency rating: 5 I found no circumstances of inconsistent terminology in this text.
