Environmental Science, Volume 476,
2020**

In the 17th century there were several fairs:
there was a fair on All Souls' Day 2
November in 1622, the fair granted to
Thomas Jodrell in 1629 was on 7, 8, and 9
May, and 17 July was a fair day c.
Irrigation needs and scheduling under a
climate change scenario.

Hennessey (Kathleen) papers

In the early 1920s a few Leek firms sold and overhauled mill machinery, and in the later 1930s there were five firms of textile engineers in the town. He was also a visiting professor at the University of Alabama.

Archives West: A. Russell Mortensen papers, 1830

Five Trial pits were dug at Bayero University Kano, two of the trial pits were filled with 20 litres of crude oil while the remaining three trial pits were left uncontaminated and used as control.

Aaron T. Beck Papers

A synthesized Verilog model of the chip is developed and implemented on target technology.
