GO BOX: Jumpstart Your Ministry to Men

Le Carre's sensual prose, skillful plot progression, superb character development, and easy-to-follow first-person narrative with clearly defined his and her perspectives captured my undivided attention and held me prisoner, completely spellbound and enthralled, from the first page till the last. She has a unique writing style and that always captivated me. Talk about a book that has the power to hold you captive as each page is turned, this book is it! Brett supplies the money, he holds all the power, as made abundantly clear when he at long last grew a pair and decided to put said power to use.

GO BOX: Jumpstart Your Ministry to Men

I hated Julian from the start and i m so glad she got what she deserves in the end.

Who We Are

I'm going to make a change For once in my life It's gonna feel real good Gonna make a difference, gonna make it right As I turned up the collar on my favorite winter coat This wind is blowin' my mind I see the kids in the street with not enough to eat Who am I to be blind, pretending not to see their need? Georgia cuts to the chase in this beautiful, heartwarming, soul searin tale that brings a hard hitting topic into the light. A beautiful story, of love and hope. I was totally invested as I turned each page of the well written storyline with characters that were so strongly written that I felt like Brett and Charlotte jumped from the pages and pulled me right into their story as it unfolded! She lives in a little old 19th century romantic cottage, surrounded by the most magical garden, filled with fruit and walnut trees and teeming with wildlife.
