### OPERA Private Property Issues and Landowner Concerns

About the Niagara Escarpment Hearing Office The Niagara Escarpment Hearing Office administers hearings under the Niagara Escarpment Planning and Development Act involving the Niagara Escarpment Plan.

### Documentation for Niagara Region Windfarm

Soles, past Director of the U. The Niagara Escarpment Hearing Office hears appeals and applications from decisions of the Niagara Escarpment Commission in two situations. Please read the guide on the matter you are interested in for decision timelines.

### Niagara Escarpment Hearing Office

However, if the ERT orders that the hearing be closed or the matter is in mediation, only the parties involved can attend.

### Documentation for Niagara Region Windfarm

How much does it cost to file an appeal? If you submit by mail or fax, you will experience processing delays. OPERA believes Escarpment landowners are the original and most important, yet one the most socially and economically challenged, stakeholder groups on the Escarpment. Do I have to hire a lawyer to appear before the ERT? These Topics are put forward by staff for Commission endorsement, subsequent Ministry acceptance and interim citizen comment.

### Frequently Asked Questions

The order suspends limitation periods and procedural time periods relevant to tribunal proceedings. OPERA devoted a good deal of research time and print space to the Biosphere Reserve issue in our Written Submission to this Review.

## **OPERA Private Property Issues and Landowner Concerns**

Let me preface my presentation to-day by reporting that I visited a Hearing session at Owen Sound last week to see the Review process in action. In response to COVID-19 our in-person service counters are closed until further notice.

## **Documentation for Niagara Region Windfarm**

Might we further suggest the NEC advertising budget, presumably soon enlarged to promote government-managed Escarpment tourism, provide for newspaper notices of proposed Plan amendments and any modifications in Escarpment status or management obligations.
