Meat Processing, Food Safety, Poultry Processing

Keira Lombardo is also being promoted to executive vice president of corporate affairs and compliance.

Smithfield appoints new COO, US operations

Smithfield Market could face possible relocation. Before then fresh meat could only be transported on the hoof, which took time and was wasteful, as it was reckoned that each cow lost about 20 pounds in weight on a 100 mile walk. Smithfield had established itself as the premier meat market which it still is to this day.

Buying Guide

However, the original Poultry Market building was destroyed by a major fire in 1958.
