Syllogism, Theories of

They are all available in English translation.

The Logic Museum

While tensed statements about temporally definite singular events have a changing truth-value, the corresponding non-tensed dicta are unchangingly true or false Nuchelmans 1973: 177—189; for some later examples, see also Nuchelmans 1980; Lewis 1995; Goris 2001.

John Buridan

Or is there some other explanation? As this reprint is from very old book, there could be some missing or flawed pages, but we always try to make the book as complete as possible. In the theological context of timeless divine omniscience, it was more natural to regard these statements as temporally definite. Each page is checked manually before printing.

history of philosophy

The puzzle about this argument is why the doctrine of the traditional square was maintained for well over 20 centuries in the face of this consideration.

Summulae

If the original book was published in multiple volumes then this reprint is of only one volume, not the whole set. Fold-outs, if any, are not part of the book.

Summulae logicales

Few definite facts are known about his life. After studying the works of John XXII and previous papal statements, Ockham agreed with the Minister General. Illustrations, Index, if any, are included in black and white.

The Traditional Square of Opposition (Stanford Encyclopedia of Philosophy)
