In 1920 the British Mandate of Palestine began and the pro-Jewish was appointed High Commissioner in Palestine, the was established and several big Jewish immigration waves to Palestine occurred. After a stormy passage from , he arrived in Egyptian , where he was enthusiastically greeted by friends and admirers. Each section of the course is organized around a particular biological concept.

## Translation

The novel moves between euphoria and paranoia, taking the reader to the black market of Teheran, where one can buy everything that is illicit, to the public squares where adulterous women are executed.

## Biographies

This is said to be a linguistic feature, particularly of all , that adds to the usual similar difficulties encountered in translating between any two languages.

## Translation

There is, however, no sharp boundary between formal and functional equivalence. The course involves completion of a team-based interdisciplinary design project started in CGN 4800. Snell-Hornby, , Philadelphia, John Benjamins, 2006, p.
