Texts adopted

Tier 2 's property group has significant experience with clients in the infrastructure and transport sectors, regularly advising on all regulated rail matters. They are approachable and you do not feel intimidated by their status.

Shoosmiths LLP > Nottingham > England

The WHO relies on contributions from member states both assessed and voluntary and private donors for funding.

Shoosmiths LLP > Nottingham > England

Notes that in 2019 the EIB supported several projects involving hydropower; welcomes the Environmental, Climate and Social Guidelines on Hydropower Development; welcomes the fact that the EIB is currently upgrading its reporting requirements for intermediated lending to account for counterparty alignment with the Paris Agreement and the EU Taxonomy on Sustainable Finance, as well as reviewing its Environmental and Social Sustainability Framework; stresses that such new requirements should enhance the transparency of EIB operations involving financial intermediaries in order to identify and avoid potential negative environmental or human rights impacts of hydropower operations both inside and outside the EU, while safeguarding access to finance for SMEs; 28.

NISM

Underlines the need for a consistent, clear, coherent and coordinated EU-NATO approach to the southern neighbourhood, addressing both traditional threats such as terrorism and the growing, aggressive presence of Russia and China; points to the past cooperation between NATO Operation Ocean Shield and EU Naval Force Atalanta in combating piracy and providing safe passage in the Gulf of Aden; 29. PDF from the original on 17 June 2012. Additional offices include those in ; the and ; the US-Mexico Border Field Office in ; the Office of the Caribbean Program Coordination in Barbados; and the Northern Micronesia office.

National Council for Children's Rights Protection under Nur Otan Party established
