They both agreed it would only be right if Her Majesty gave her approval, especially with something so personal.

The Majesty of the Horse: An Illustrated History by Tamsin Pickeral

I love artsy shots as much as anyone, but this book is a history, not an art book. Horses have played a central role in human societies for millennia, and this magnificently written and beautifully illustrated volume celebrates that long, eventful history. If you are in love with horses as much as I am.
