## Democracy, Borders and Brexit: Can Europe Solve its Crises?

Emmanuel Macaroon is a knee jerk reaction to the discontent.

9780631219187

Just this past week, special forces massacred at least 23 people in a brazen act of extrajudicial killing.

## Judy Asks: Can Europe Save Democracy in Hungary and Poland?

But limiting size comes at a cost: important problems—notably defense against larger and more powerful states and the of trade and finance—will remain beyond the capacity of the government to deal with effectively.

## Democracy

On the contrary, some governments used the pandemic to distract from their long-standing human rights shortcomings. The etymological origins of the term democracy hint at a number of urgent problems that go far beyond semantic issues.

## Towards an illiberal democracy

Lukashenko purged his political opponents from the ballot in mid-August and unleashed security forces against civilians protesting the election. Belarus-specific sanctions date to the Belarus Democracy Act of 2004, and a Bush-era executive order that sets out guidelines for penalizing officials responsible for undermining democracy. In particular, it played a prominent role in fostering the 2013 Euromaidan coup in Ukraine.
