### 460 Origins ideas in 2021

This baile was like all native balls, rigodón, waltzes, and two-steps; remarkably well done too, these, considering that the señoritas wear the native slipper, the chinela, which is nothing more or less than a heelless bed-room slipper. Almost inexistent among the general populace, Spanish is still used by the elderly of some families of great tradition Rizal, Liboro. Vast green fields of rice stretched on each side of the main highway, with farmers and peasants toiling under a hot Sunday sun.

### Home of the Ifugao: Discovering Tribal Banaue on the Trek to Batad

As for the treasurer, we were informed that he had been taken in hand at an early age by the Americans and trained, so that in making his reports he had developed the ability to look upon the merits of the question in hand. Wash as vengeance for him who has gone before. The government aims to push for the site's inclusion between 2018 and 2019.
