### Hetch Hetchy: Congress and the Environment

§ 7412 - Facilities that reduce their emission of toxics into the air by 90-95% can qualify for permit waivers. § 1252 - EPA mandated in cooperation with federal state, and local agencies and industries to develop programs for preventing, reducing, or eliminating the pollution of the navigable waters and ground waters and improving the sanitary condition of surface and underground waters.

### Environmental Law: Government and Public Policy Towards the Environment

§ 6981 - EPA shall render financial assistance to federal, state, and local agencies that are researching, investigating, or providing in areas of waste management and minimization. These are voluntary regulations rather than law conducted for the good of the environment and the local population. § 13106 - Owners and operators of businesses that are required to file a toxic chemical release form must include a toxic reduction and recycling report.

### List of environmental laws by country

§ 13104 - EPA as administrator is given the authority to provide grants to the States to promote source reduction by businesses.

### Environmental legislation for Maryland, Delaware, Virginia 2021

Public notice would take the form of holding a public hearing; publishing notices in English and Spanish in a newspaper, on social media, and on signage at the site location at least 60 days prior to such public meeting; and mailing notices to interested parties. § 7414 - 7418 - EPA may establish record keeping, inspections, and monitoring for all facilities that emit pollutants.

### List of environmental laws by country

Bush on January 24th, 2007. § 4368a - Utilization of talents of older Americans in projects of pollution prevention, abatement, and control through technical assistance to environmental agencies.

### Pollution Prevention Law and Policies

Maryland's Climate Solutions Now Act packages together several goals shared by Virginia and Delaware: setting new emissions reduction standards, studying climate justice issues and mandating energy savings in new buildings.

### **Environmental Law: Government and Public Policy Towards the Environment**

§ Subchapter I, Part C Sec 7470-7479 - Prevention of significant deterioration of air quality-establishment of a plan that includes emissions limitations to protect public welfare and the environment. Delaware and Virginia each have their eye on encouraging adoption of lower-emissions vehicles.
