## My American Farm

Toward a More Enlightened Future Thankfully, as society becomes more enlightened, we are beginning to understand the true costs of cheap food. Neither completely personal nor completely business, her stories and ideas are primarily transactional and action oriented, which speaks to who she represents herself as and who she is and how she got to where she is.

**Nonfiction Book Review: The Growing Season: How I Saved an American Farm—and Built a New Life by Sarah Frey. Ballantine, \$27 (272p) ISBN 978**

I think because of how she grew up she was so hell bent on succeeding and growing that parts of the book were stressful to read because she was just doing SO MUCH ALL THE TIME.

### Listen Free to Growing Season: How I Built a New Life

You had the opportunity to talk to her directly, but now she's gone. I live not too far from where her narrative takes place and it was good to hear some local names and places being profiled in such a popular book.

**Nonfiction Book Review: The Growing Season: How I Saved an American Farm—and Built a New Life by Sarah Frey. Ballantine, \$27 (272p) ISBN 978**

The Growing Season is an inspiring story of a woman who defied the odds by being a successful, confident farmer and growing a successful multi-million dollar business while living in poverty and facing a failing family farm. The American farm will be a thing of the past. If there is only a very few memoirs a year you read - pick this one.

### Listen Free to Growing Season: How I Built a New Life

She wanted to farm the land. I encourage readers to embark on this emotional journey with her. The Request for Funding was updated on May 9, 2019 and applications were due June 10, 2019.
