Decentralization, Clientelism and Popular Participation: Is there a r...

The main opposition comes from the central bureaucracy that sees its power eroded significantly. By including both participatory bud gets and coordination councils as well as other PIs that are not studied in this book , Peru has passed one of the most ambitious examples to date of a PDR. The law defines the precise procedures that need to be followed for such pre-approval and stipulates sanctions for any violation of the procedures by the local communes.

Voice and Vote: Decentralization and Participation in Post

These programs are usually embedded into broader policy reforms of the public sector and go frequently hand in hand with major privatization programs. This book provides a very useful introduction to the topic under study, providing an important contribution to a key aspect of contemporary Peruvian democracy. Politics affect design, and design affects outcomes.

Voice and Vote: Decentralization and Participation in Post

The Enlared Municipal program, for instance, had defined its priorities and operational methods through a highly donor-centric approach.
