## John Christopher

When Rob, a boy from the Conurb, escapes from his surroundings after the death of his father, he finds his way into the County. In the future, the world has been divided into two societies. I found it exciting, believable and possible; they found it too involved.

## John Christopher obituary

In 1946 he married Joyce Fairbairn, with whom he had five children one son and four daughters. You can be useful here. There was a telescope here, too, a small one fixed in the rock, but one of the lenses had been broken and it was useless.

## The Guardians

You'd, is an old Cheshire surname. When he had completed the book he would go back and redraft the first chapter.

That means journeying to the Tripod capital: the City of Gold and Lead. Rob, a young boy living in the Conurb, after his father dies in an inexplicable accident, is sent to a state boarding school, and after a traumatic experience, decides to make a break for the County, where he meets Mike, a boy of the same age, who helps him, until his mother discovers his secret.

## John Christopher

What follows entails a couple of sinister twists, including an offered deal-with-the-devil for Rob. This was achieved through the Caps, meshes of silvery metal which fitted closely around the skull and were woven into the very flesh of their wearers.
