## Towards a New Moulton and Milligan on JSTOR

We will also explore how these documents illuminate everyday practices and behaviors, imagined and wondrous phenomena including a werewolf and a canine saint, and the exercise and abuse of legal procedures. Whether the intrusion should be allowed in the imperfect as in Mark viii. Written Work: Students will hand in three short essays.

## Matthias Haake

There will be one book review, worth 10 percent. No cell phones, tablets, e-readers, iPods, iPads, laptop computers, etc.

## LSUHSC School of Medicine

We will keep a keen eye on our central problem of telling the connected stories of both the artisans makers and their societies consumers.

## Biblical Greek

But its results are there, for all that; and never have they been worked out with such scientific accuracy as during the past thirty years.

CHARACTERISTICS OF NEW TESTAMENT GREEK. Students who are going on to Theology are encouraged to take it, and have thus an excellent linguistic preparation for the studies that are to follow.
