God Is Transcendent and Immanent? How Is That Possible?

Despite the emphasis on evolution, only a few texts even mention creation! Each kind of living organism has its own unique genes, which are passed on to the offspring in reproduction. This is the lesson of Job 38—41. The theory put forward by some modern theologians that there is no difference in kind between God and man is inconsistent with Theism, and is really Pantheistic.

God Is Transcendent and Immanent? How Is That Possible?

Nehemiah 9:6 - God alone is the Lord, for He made heaven, earth and everything on it, seas and all that is in them.

Is God immanent? What is significance of the immanence of God?

If they do mention it, they then attempt to disprove it or they simply refuse to discuss it, claiming that it is not a scientific issue but a religious issue! Pantheists believe that everything is God or is a part of God, making Him equal with His creation and unable to act upon it. God is the inescapable depth and center of all there is.

Seeking the Ultimate In the Ordinary

Or where shall I flee from your presence? No matter what measurement we use to compare ourselves to the Creator God, we find that he is off the chart altogether, completely set apart from nature with all its hierarchies. Note that Scott, Foresman, on p.

God, Western Concepts of

Since God cannot be figured out, it remains for us to cry out: Oh, the depth of the riches and wisdom and knowledge of God! Anyone who observed a car, house, radio, etc. We never pray to them, but they continue to pray to God, 5:13, 6:9-11, 7:9-10, and 8:3-4. James Arminius 1560-1609 objected that Calvinism made God responsible for sin, and he proposed instead that God predestined those whom he foresaw would repent.

What Came Before God?

The locations where God reveals his presence in extraordinary ways take on a special significance. God is the network of all truths, not a personal being who gives revelation. No human power or other physical power is capable of creating the universe.

White Rose Review: Thoughts on God's Transcendence and Immanence

Of special concern is the relationship between omniscience and human free will: if yesterday God knew infallibly that I would do x today, it seems I have no alternative but to do x today—a conclusion that seems to violate free will. It was made by Him by His power and for Him to serve His purposes. Moltmann, who was for a time a German prisoner of war, and Kitamori, a Japanese thinker, both witnessed World War II and its aftermath.
