Although I had made sure my students knew about this cultural difference on the first day of school, we all frequently forgot what we were doing. Reform in Eastern Europe, Cambridge, MA: MIT Press, 1994.

91969337

In 1996 and 2000, Yavlinsky ran for President with endorsement from his party and other organizations. Few are true nation-states because of ethnic minorities located within their borders, but the countries held on to their common heritage throughout the Communist era. The once stable country of Yugoslavia split into seven separate countries patterned after the nation-state concept.

Eastern Europe

The party which proclaims as its historical leaders and heroes Lenin and Stalin, the ideologists and organizers of massive crimes against humanity, assumes the responsibilities for these atrocities with cynical pride.

Economic Recovery: Lessons from the Post

A fusion of and paralyzed all possibilities of other than to inject fresh money in the old economy. A Roadmap for Leadership and Cultural Transformation Throughout today's rapidly changing business world, top CEOs face two primary challenges: solving the leadership gap and creating a sustainable corporate culture.
