## Корниш Н. СОЛДАТЪ

Later, I have learned programming and the development of computer games, and finally with the Internet, also web design. In fact, people only made the final blow to the exhausted authorities.

## Russian Liberation Army

This was bloody and the Russians eventually retreated, opening the road to Moscow.

## Russian Troops with the German Army

By August 1942 these uniforms had been replaced by German ones on which was worn newly-introduced insignia. Пластунские батальоны были сведены в бригады по шесть батальонов без артиллерии.

## HISTORY OF RUSSIAN REVOLUTION: ABDICATION OF TSAR OR REVOLT OF THE MASES?

Moscow, 2003: 2 in Russian. The anti-Soviet partisan movement in Latvia, mostly without overall leadership, continued into 1949 when their activities were suppressed by Soviet troops. Chubaryan, the Great Russian Revolution includes both February and October events of 1917, as well as civil war of 1918-1923.

## Revolution from Below: Down with Autocracy!

Modernization of Russian society and the state is not their Westernization. Личная охрана царя — Императорский конвой — объявила о своей лояльности новой власти еще в дни отречения, символически сняв императорские вензеля с погон. Such dating hides the unevenness of revolutionary developments, that is, a most substantive characteristic of any revolution.
