World War II almanac, 1931

Background to War 15 Aerial view of Dachau, the first permanent concentration camp to which the Nazis sent their political enemies. Neither side could get a majority of votes in the Reichstag the German national legislature, equivalent to Congress in the United States so the legislature remained deadlocked. The troops who manned it were safe—but they were also trapped.

Swastika: The Nazi symbol of a black, bent-armed cross that always appeared within a white circle set on a red background.

The World almanac of World War II : the complete and comprehensive documentary of World War II (edition)

Politicians who did not support the army strongly enough, and even some generals who were considered too moderate by younger army officers, were in constant fear of being murdered by the secret societies. O Occupation: Control of a country by a foreign military power.

The World almanac of World War II : the complete and comprehensive documentary of World War II (edition)

Many Germans became fearful about the future and distrusted the government. The small Dutch army was soon overwhelmed, and the Netherlands were already negotiating their surrender when the Luftwaffe bombed and destroyed the center of the great Dutch port of Rotterdam on May 14, killing many civilians.
