From Semantics to Semiotics: Demystifying Intricacies on Translation Theory

The presentation of the message employs a rhetoric dependant upon an understanding of the historical background of the audience. May be reproduced only for non-profit educational use. Downers Grove, IL: Inter-Varsity Press, 1970.

Freely

We need to establish the background information necessary for being able to properly discuss translation of the biblical forms. Kurk, I understand, and fully agree, that there is such a thing as literary translation.
