Animal Farm Summary

But the committees are unable to produce the results. Since they keep on longing for power that is more than they already have, defilement would increment until they effectively arrive at supreme force and outright debasement.

Animal Farm

Major also represents Vladimir Lenin, the foremost author of the Russian Revolution and of the formation of the Soviet Union. Napoleon begins trading with nearby farms, and the pigs move into the farmhouse and sleep in the beds there - even though sleeping in beds like humans was forbidden by the original principles of Animalism. After the demolition of the windmill, a pitched battle ensues, during which Boxer receives major wounds.

Notes on Chapter 1 from Animal Farm

Chapter 6 Summary These animals start working to build the windmill and they work for sixty hours every week. Frederick Frederick is the owner of Pinchfield. He takes his commission from Napoleon.

Animal Farm Summary

They made committees to teach the animals how to read and write.

Animal Farm: Plot Overview

Benjamin the donkey seems not to care about anything and cryptically tells everyone that donkeys live a long time. The dogs, the pigs, the goat Muriel, and Benjamin are the only ones who become fully literate.

Animal Farm Summary and Complete Analysis

In addition to this, he is an intelligent animal. A few years pass, and some of the animals die, Napoleon and Squealer get fatter, and none of the

animals is allowed to retire, as previously promised.

Animal Farm Chapter Summaries Short »

This is also witnessed in the novel when the pigs announce that they are to live in the house of humans and wear clothes like humans. News is also spread that Snowball has taken a position with the animals to take over the animal farm. They rename the farm 'Animal Farm' and write the Seven Commandments of Animalism up on the wall of the barn.
