### 2020 Services Marketing Budget Allocations and Trends

You need this data to calculate your ROAS, customer lifetime value, cost of sales, cost of marketing, SMROI, and more.

#### How to manage your ecommerce marketing budget (& why include CRO)

What if the ecommerce VP decided to try boosting results for the next campaign by budgeting for a much-needed conversion rate optimization tune-up? And if the pilot works, scale up. With a few channels included in the branding column of your marketing budget, you not only reach a more varied audience, but you avoid one channel driving all your growth.

#### How to manage your ecommerce marketing budget (& why include CRO)

A key part of that is frequent measuring and tracking of campaign performance.

#### Marketing Budget Models

But how do you know which ideas are the best ideas? Go in with tried and true methods, but leave room to flex your budget depending on where you see ROI — or opportunity for ROI. Most companies should look first to their organic owned traffic for a steady, ample flow of visitors — then use paid traffic as a way to augment and shore up the numbers.
