White Poverty and the Legacy of Slavery in the US South

Deeply researched in primary sources, carefully focused on social and economic facets of slavery, and gracefully written, Phillips' germinal account set the standard for his contemporaries. His dissertation, Georgia and State Rights won the Justin Winsor Prize in 1901 and was published by the.

Ulrich Bonnell Phillips

Establishing and maintaining this domination--creating the system of racial segregation and African American disfranchisement known as Jim Crow--has remained a preoccupation of southern historians.
