Vol. 49, No. 1, 1925 of Zeitschrift für katholische Theologie on JSTOR

Patrum dictis addimus unanimum scholasticorum doctrinam, aut certa aut multo probabilior dicenda est sententia nullam umquam in Christo fuisse ignorantiam

Full text of studiorum et institutiones scholasticae Societatis Jesu per Germaniam olim vigentes collectae

Auch dieser Brief bisher ungedruckt. Two years later, Jose Soriano de Sousa, professor in Pernambuco Brazil, published his Licoes de Philosophia elementar racional e moral, perfectly Thomistic in spirit, which he dedicated to Emperor Pedro II. Nature of Bodies and Man's Soul.

Jacques Maritain Center: Revival 12

The innate tendency to build itself up according to a specinc type, to restore injured or diseased parts, to conserve itself against the agencies perpetually working for its dissolution, and to reproduce its kind, manifest an internal principle which unifies, dominates, and governs the entire existence of the being. Ut onera, ad quae e fundationibus aut Constitutionibus Collegia non tenentur, ad tempus, saltem iudicio Provincialis, omittantur, admonito tamen prius Generali. This they do with an incredible velocity, and an insight into possible combination of natural forces of which man can form no idea — Boedder, op.

Compendium philosophiae scholasticae /

Materia a se existens nec in motu esset nec in quiete : — a non in motu, quia in ente, quod excludit extrinsecam rationem suae existentiae, non aliae inveniri possunt proprietates, nisi ille, quae ab ejus natura dimanant ; atqui, ex evidenti sensuum testimonio et consensu omnium physicorum inertiam materiae pro- nentium, materia non est necessario in motu, sed ad motum et quietem indifferens ; b non in quiete, ob parem rationem.

Scholastica

Deus est in omnibus ut causa efficiens, con- servans et exemplaris, conc.
