**The Rich Get Richer and the Poor Get Prison : Ideology, Class, and Criminal Justice by Jeffrey Reiman (2003, Trade Paperback, Revised edition) for sale online**

Four Excuses That Will Not Wash, or How We Could Reduce Crime if We Wanted To. A quick look at the television section of the television section of the newspaper suggest that, if anything, this has only increased in recent years. An examination of the American Criminal Justice System, which argues that the system fails us on three counts failing to institute laws that could actually reduce crime, failure to criminalize the acts of corporate America, and failure to remove racial profiling and the stigma of being poor as criminal.

Pojman, 1998 , Abortion and the Ways We Value Human Life 1999 , and more than 60 articles in philosophy and criminal justice journals and anthologies. This may not be intentional, but as a side effect of the system, the masses of our nation are more afraid of a perceived threat from below, then from the real threat of exploitation from above. And this may be a kind of petty complaint, but there's a pedantic and overly schematic writing style that I find common in sociological writing that makes me feel like I'm reading undergrad essays again.

**The Rich Get Richer and the Poor Get Prison: Ideology, Class and Criminal Justice**

Introduction: Criminal Justice Through the Looking Glass, or Winning by Losing. Reiman's argument is very sound and iterated throughout the entire book. Crime and criminality must on the whole be placed by Marxism among the cost of capitalism, lined up alongside poverty, unemployment, pollution, and the rest.
