## Flamenco dancer wins 2021 Vancouver International Dance Festival Choreographic Award

That may not sound like a big deal, but in a context of people getting physically attacked that is very real and threatening. The giant , was built in 1959 for passenger and vehicle ferry service to southern Vancouver Island and the nearby coal terminal was finished in the late sixties. The YVR AddFare came into effect on January 18, 2010.

## SkyTrain (Vancouver)

A variety of transit passes are available, such as the pre-paid FareSaver ticket, daily DayPass, monthly FareCard, annual EmployerPass, post-secondary student , and other specialized passes. It was announced on August 14, 2013, that bus-issued transfers magnetic strip paper cards would continue to be issued for cash fares paid on buses, but that these transfers would not work at SkyTrain or SeaBus station fare gates, which require a Compass Card or a 90-minute paper Compass ticket to operate. The changed would also authorize courts to order the seizure and removal of advertisements for conversion therapy.

### **SkyTrain (Vancouver)**

For every command that is sent to a VCC, at least two of the computers must agree with the action, otherwise an error is generated and the command is ignored. On December 16, 2016, TransLink ordered 28 more Mark III cars, bringing the total of Mark III cars to 56 by the end of 2019.
