### Kerner Commission Report released

The Committee approved Rule 803 8 without substantive change from the form in which it was submitted by the Court. Recommendations for routine use of vaccines in children, adolescents and adults are developed by the Advisory Committee on Immunization Practices ACIP. While Wigmore's text is narrowly oriented to lists, etc.

### Use of 13

It should not contain any information that is not already in the investigation report.

### Rule 803. Exceptions to the Rule Against Hearsay

Uniform Rule 63 14 , Comment. Spontaneity is the key factor in each instance, though arrived at by somewhat different routes. The court here recognized a distinction between criminal and accident investigations and between ongoing and completed investigations.

### National Advisory Commission on Criminal Justice Standards and Goals, The Defense (1973)

This rule constituted a broadening of the traditional business records hearsay exception which has been long advocated by scholars and judges active in the law of evidence The House felt there were insufficient guarantees of reliability of records not within a broadly defined business records exception.

### Reports

The inherent or potential partisan unwisdom of a dominant faction also would be tempered by representative government. For example, the opponent might argue that a record was prepared in anticipation of litigation and is favorable to the preparing party without needing to introduce evidence on the point.

### USDA Advisory Committees

Duke of Devonshire, 8 App.

### **Kerner Commission Report released**

McCormick §§281, 286, 287; Laughlin, Business Entries and the Like, 46 Iowa L.

### **Radio Frequency Safety**

An illustration is the police report incorporating information obtained from a bystander: the officer qualifies as acting in the regular course but the informant does not. The amendment maintains consistency with the proposed amendment to the trustworthiness clause of Rule 803 6. The Court found that the newspaper did not qualify for admission as a business record or an ancient document and did not fit within any other recognized hearsay exception.
