PURANA RAHAS THEL BEHETH POTH

Every thing and event seemed to come within the scope of possibility.

Puranapanda Radha Krishna Murthy Garu

Once he is able to establish his contact with the self again, all his troubles and miseries will automatically come to an end.

Amritananda Natha Saraswati: Gandha Baba

It was also quite true that this Banalinga would no longer be available at Gyanganj Ashram, but it would soon be installed at a very auspicious place in Bengal. Owing to the fall from the tree on to the rocks, I had received many cuts and bruises on my body and thighs. In the beginning, you will have to force yourself to sit for your Kriya, but later you will start feeling greatly perturbed whenever you are not able to do so.

PURANA RAHAS THEL BEHETH POTH

The old man sits bent over his strange task, his large eyes fixed in a glassy stare, his face cold, emotionless and non-committal. Baba's truthfulness Baba was inflexible in his opposition to untruth. This amazing legend of longevity has cropped up at least twice before.
