## Banaras

This is not a guide book. After completing the lights I coloured the river with the same method to show the reflection of lights on the surface of the water. It's wonderful to note the depth the author has gone about Kashi.

### Banaras: City of Light by Diana L. Eck

Written with great care, erudition and empathy, it is an enlightening tome! Wherever that place is, it is the place where one is able to see into the true nature of things. Four stars only because it hasn't been updated.

### Banaras: CITY OF LIGHT

She describes the rites of its temples, the busy life of its riverfront, and the exuberance of its festivals.

### 9780140190793: Banaras City of Light

It is eternal, ever intact and is virtually indestructible.

### Banaras: CITY OF LIGHT

He lays out stories of the Gods for the Hindu layman, like myself, that relate directly to the forming and importance of Banaras. .
