Stories of King Arthur : Haydon, A. L. (Arthur Lincoln), 1872

From castle to village, to every far corner of the land. But the baby was gone! Vortigern asks his soothsayers what the problem is and they say that in order for the tower to remain strong and standing, he needs to spill the blood of someone who is half-human and half-otherworldly. Merlin is only in the first 30 pages, and acts more like a cryptic mystic than the classic wizard.

10 Crazy Stories About King Arthur and His Knights

On 24th May of that year, a great fire destroyed the monastery. Below me, I saw the remains of an ancient track that leads towards Glastonbury may have been used by Arthur and his knights travelling to and from Camelot. He moved the sword a bit.

The Sword in the Stone: a King Arthur Legend of the Sword Story

Local lore says that Arthur didn't die at Slaughter Bridge, but was instead incarnated into the soul of a chough, so that he may someday return.

List of works based on Arthurian legends

Knights from anywhere and everywhere in England are invited to come. Here, under grey skies, the roar of the Atlantic can be as loud as the wind on a stormy day. He appeared to have 10 wounds, all healed except one.
