### Why Parent Involvement is So Important in Early Childhood Education

In 2016, research showed a drop in parents who believe that intimate parent-teacher communication is effective.

### Issues of Poverty in Reading and Language Development

MS and LL drafted the manuscript. Schools with a commitment to parent involvement take an active role in helping parents learn a variety of ways to be involved.

### The Importance of Parental Involvement (And How Teletherapy Can Help)

They used an Ecological Model that consisted of Ecological theories Bronfenbrenner, 1979.

### The Benefits of Parental Involvement in a Child's Development

The bottom line for schools is to communicate using strategies that convey what is important in a way that can be heard by parents and families and invites them to respond. Parents Know Their Child Best We do our best to get to know each child we serve: their preferred learning styles, how they perceive problems, their struggles. Make time to attend his sporting events and other extracurricular activities, as well.

### Getting Parents Involved in Schools

HIPPY Americorps Evaluation: Parental involvement in literacy activities and volunteer activities in the community in California, Florida and Hawaii. The study also suggested that parental behavior was different towards male and female children. From worn-out to web-based: Better student portfolios.

## **The Benefits of Parental Involvement in a Child's Development**

Fig- 14 My child gets stimulation at home occasionally Table-15 and fig. After each session, parents walk away with a new set of skills they can confidently use in conversations with their child. Parent involvement at both home and at school adds to both student achievement and retention in school; 3.
