The education for peace that is so necessary to laying the groundwork for a new era in the region, regrettably, is absent in the Palestinian Authority.

Israel and the Arab

A Guide for the Perplexed 2012 and A History of the Arab-Israeli Conflict 7th edition 2015 with Carla Klausner. But acknowledging fallibility is a national strength, not a weakness. When was the last time that one democratic nation launched a military attack against another democracy? He extends his geographic and chronological reach and uses a non-linear reconstruction of events to call for a thorough reconsideration of cause and effect.

A History Of The Arab

The book examines various legal arguments they proffered, and how that early tendency to resort to the law as a tool, a resource, and a weapon in the conflict has continued to this day. Categories: History This Handbook provides an overview of the most contentious and protracted political issue in the Middle East. As it turned out, he went beyond what anyone in Israel might have thought possible in his willingness to compromise.
