JJAC

The Jewish Quarter was ransacked and burned.

BACKGROUNDER: Palestinian Arab and Jewish Refugees

The fact that it remains true and remains of value in framing the discussion about Palestinian ethnogenesis in the different treatment of a certain group of Arabs from the rest of Arabs for political reasons. Dhimmis were excluded from public office and armed service, and were forbidden to bear arms.

The Case Of The Jews From Arab Countries: A Neglected Issue by Maurice M. Roumani

Jews were generally viewed with contempt by their Muslim neighbors; peaceful coexistence between the two groups involved the subordination and degradation of the Jews.

Treatment of Jews in Arab/Islamic Countries

Young, British Vice Consul in Mosul, wrote in 1909: The attitude of the Muslims toward the Christians and the Jews is that of a master towards slaves, whom he treats with a certain lordly tolerance so long as they keep their place. I am now able to inform you that such persons may be considered *prima facie* within the mandate of this Office.

Justice for Jews from Arab Countries

Urman, executive director of , wrote a Ph. It is not exaggeration to say that this book is a must read if anyone wants to seriously and justly tackle

the problem of the Palestinian refugee crisis, as the book's author gives a rigorous case against the Arab world on a variety of grounds--historical abuses of religious and ethnic minorities, which continues to this day, a refusal to seek the best interests of refugees, rampant corruption that exaggerates the size of the Palestinian refugee population and refuses to place it in the context of larger population exchanges during the course of the twentieth century, and the belated nature of the origins of the Palestinian people in their shabby treatment by Arab states looking for a permanent *causus belli* against Israel by refusing citizenship to fellow Arabs.
