Shops in the 'supermarket' category all have similar layouts and operations but may vary in their offering to the customer.

About us

They were also concerned about the proposed structure, which involved splitting the business into an operating company and a highly leveraged property company. While the Interstate font was used almost exclusively for many years, the company introduced another informal font in 2005, which is used in a wide range of advertising and literature. Earlier this year, Sainsbury's Bank said that Roger Davis would step down as the bank's

chairman.
